Sir,

Subject - Grant of contribution of Rs 200/- to the Sports Club at Chamarajanagar towards the cost of construction of a xxxx Club building out of Municipal funds

---

With reference to Government Order No L 3159-60/M1 92-41-12 dated 28th October 1941 according sanction to the grant of a site at Chamarajanagar measuring 169' x 150' free of cost to the local sports club for constructing a Club building subject to certain conditions specified therein, I have the honour to state that with regard to the payment of contribution of a sum of Rs. 200/- towards the cost of construction of the building out of Municipal funds my predecessor in office, while making recommendations to Government for the grant of the site for the club building had remarked that the payment of this contribution is not a legitimate charge on the funds of the Municipal Council Accordingly the free grant of the site was sanctioned by Government, but no orders were passed about the payment of contribution by the Municipality

But, the Council, at their meeting held on 8th November 1941 and 31-5-1943 have resolved that Government be requested to accord sanction to the payment of the said contribution In this connection, I wish to add that Chamarajanagar is sufficiently a big town and a club is a great necessity For the maintenance of this institution which is the only amenity, which serves a recreation for the public and for the development of the activities of the place, I consider that the payment of contribution is necessary The financial condition of the Municipality is sound and it can well afford to meet this item of expenditure

I, therefore, request that the Government may be kindly moved to reconsider this order and accord sanction to the payment of contribution of Rs 200/- from out of the Municipal funds for the above purpose as resolved by the Municipal council

The connected papers are herein enclosed for reference and kind return

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District
